

PRODUCT SPECIFICATIONS

FTWM-08L Wall Mount Enclosure

ITEM NUMBER

FTWM-08L

DESCRIPTION

Providing a clean and protective enclosure for fiber optic cable is important. Sumitomo Electric Lightwave's Wall Mount Enclosure provides a wall mountable metal cabinet solution that is easy to install and route for a variety of cable constructions including ribbon, loose-buffer & tight-buffer. Having a fiber capacity of 192 or the ability to hold up to 8 LGX cassettes or adapter modules, the Wall Mount Enclosure is a good solution to house the transition of outside plant cables and indoor distribution cables. In addition its low profile allow for convenient placement in multiple locations.

PRODUCT CLASSIFICATION

Product Type	Wall Mount Unit
--------------	-----------------
