

## PRODUCT SPECIFICATIONS

### ITEM NUMBER

FTWM-01L

### DESCRIPTION

Sumitomo Electric Lightwave's FTWM-01L Wall Mount Enclosure is a sturdy interconnect and splice housing unit, capable of holding a single FOX Splice Cassette, LGX Cassette, interconnect panel with a splice chip for up to 24 LC-Duplex or 12 SC connections, or can act as a simple splice protection box. In addition, its small size and low profile enables this enclosure to be deployed in many indoor applications and locations, and two housings can even be combined to make a single higher capacity unit.

## FTWM-01L Wall Mount Enclosure
